### **Tasting notes:**

This is another wonderful food wine from the Garrett-Watkins winemaking team. Crisp, pure and aromatic. The use of a Bandol yeast in the winemaking process imparts a delicious Provencal nuance to this wine. The mélange of berries, fresh-cut strawberry, ruby-red grapefruit and refreshing citrus explode in the mouth. This wine can stand alone, and is best served chilled, but also pairs beautifully with Spring and Summer fare.

### **Suggested food pairings:**

Duck a la Orange, Liver pate' with port reduction, quiche, grilled salmon, and chicken with mango salsa.
